

Type 1 X-Ray Lay-In Wireway

Gray Powder Coated

Application

- Unity lay-in wireway for x-ray equipment is designed to protect electrical wiring where dust, dirt, oil and water are not serious problems. All sections and fittings are fully open on one side so wires and cables can be laid in along an entire run. No pulling through of wires or cables is required.

Construction

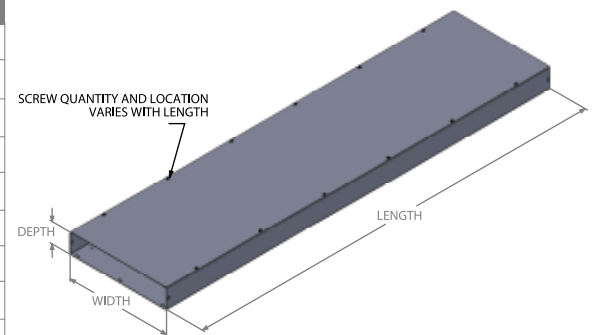

- Code gauge, low carbon steel
- Screw cover flat lid with keyhole slots
- Complies with UL 870

Specials

- Custom sizes and modifications available
- Optional powder coat colors available
